

## Quick Guide: Wineries and Cideries

A class A manufacturer's license is required to operate a winery or cidery. The license permits the manufacturer to operate a facility that produces wine/cider that can be sold to:

- Another alcoholic beverage licensee;
- An alcoholic beverage licensed dealer; or
- A consumer.

A winery/cidery is permitted to sell and deliver the wine or cider they produce for off-premises consumption between the hours of:

- 8 a.m.-midnight, Monday-Sunday (seven days a week).

Several types of permits are available to a winery/cidery, which allow the manufacturer to expand their operations.

### ON-SITE SALES AND CONSUMPTION PERMITS

A manufacturer can apply for an on-site sales and consumption permit. The permit allows the winery/cidery to use a portion of the licensed premises to sell, serve and allow customers to consume the wine or cider they produce at their facility from:

- 8 a.m.-midnight, Monday-Sunday (seven days a week).

### PRIVATE EVENTS

A winery/cidery that holds an on-site sales and consumption permit can sell and serve beer, wine and spirits at private events that are not open to the public for on-premises consumption. The beer, wine and spirits must be purchased from a licensed wholesaler or manufacturer.

### TASTING PERMITS

A winery/cidery must obtain a tasting permit in order to provide samples of their products to customers at no cost. A tasting permit allows the winery/cidery to utilize a portion of the licensed premises for the sampling of products from:

- 8 a.m.-midnight, Monday-Sunday (seven days a week).

If a winery/cidery has an on-site sales and consumption permit, the manufacturer is still required to obtain a tasting permit to provide samples of wine/cider to customers at no cost.

## **SIDEWALK CAFÉ/SUMMER GARDEN ENDORSEMENTS**

A winery/cidery can apply for a sidewalk café or summer garden endorsement if the manufacturer also holds an on-site sales and consumption permit. The endorsements allow the winery/cidery to sell, serve and allow the consumption of alcoholic beverages on outdoor space. A sidewalk café endorsement would be issued for outdoor public space. A summer garden endorsement would be issued for outdoor private space.

A winery/cidery is permitted to conduct business on a sidewalk café or summer garden from:

- 8 a.m.-midnight, Monday-Sunday (seven days a week).

## **ENTERTAINMENT ENDORSEMENT**

A winery/cidery can apply for an entertainment endorsement if the manufacturer also holds an on-site sales and consumption permit. Entertainment endorsements permit a manufacturer to provide entertainment, charge a cover, or offer facilities for dancing. A winery/cidery could apply for one, two or all three types of entertainment endorsements. Entertainment could be provided from

- 8 a.m.-midnight, Monday-Sunday (seven days a week).

- Correct name(s) of the licensee(s); and
- Class and number of the license in plain and legible lettering not less than 1 inch or more than 1.25 inches in height.

- Metropolitan Police Department (MPD) officer.

## **BARTENDERS AND SERVERS**

Bartenders must be at least 21 years of age and servers must be at least 18 years of age.

## **BACK-UP DRINKS**

If a customer has a partially consumed alcoholic beverage in front of them, another alcoholic beverage—or back-up drink—should not be served.

- Exterior of any door; or
- Interior of any door.

- Hours of operation or service for premises;

- Storage facility; and

## **COMPLIANCE CHECKS**

The law prohibits the sale of alcoholic beverages to individuals under the age of 21. In order to enforce this law, ABRA conducts compliance checks using underage individuals.

ABRA and the Metropolitan Police Department also have the right to check the IDs of customers both before and after purchases are made at an establishment.

Therefore, licensees and their staff must take reasonable steps to prevent the sale of alcoholic beverages to underage individuals.

## **REGULATORY INSPECTIONS**

A regulatory inspection is generally conducted a minimum of three times per year at each licensed establishment to ensure that a licensee is compliant with alcoholic beverage laws. A regulatory inspection may be conducted at any time during an establishment's hours of operation. If a licensed establishment is open, ABRA investigators must be allowed entry and provided with all requested information. Failure to comply may result in the revocation or suspension of a license.
